

Water harvesting in Rajasthan

Nidhi Srinivas

Associate Professor, Nonprofit Management

*with thanks to Seva Mandir, Udaipur
and the India China Institute*

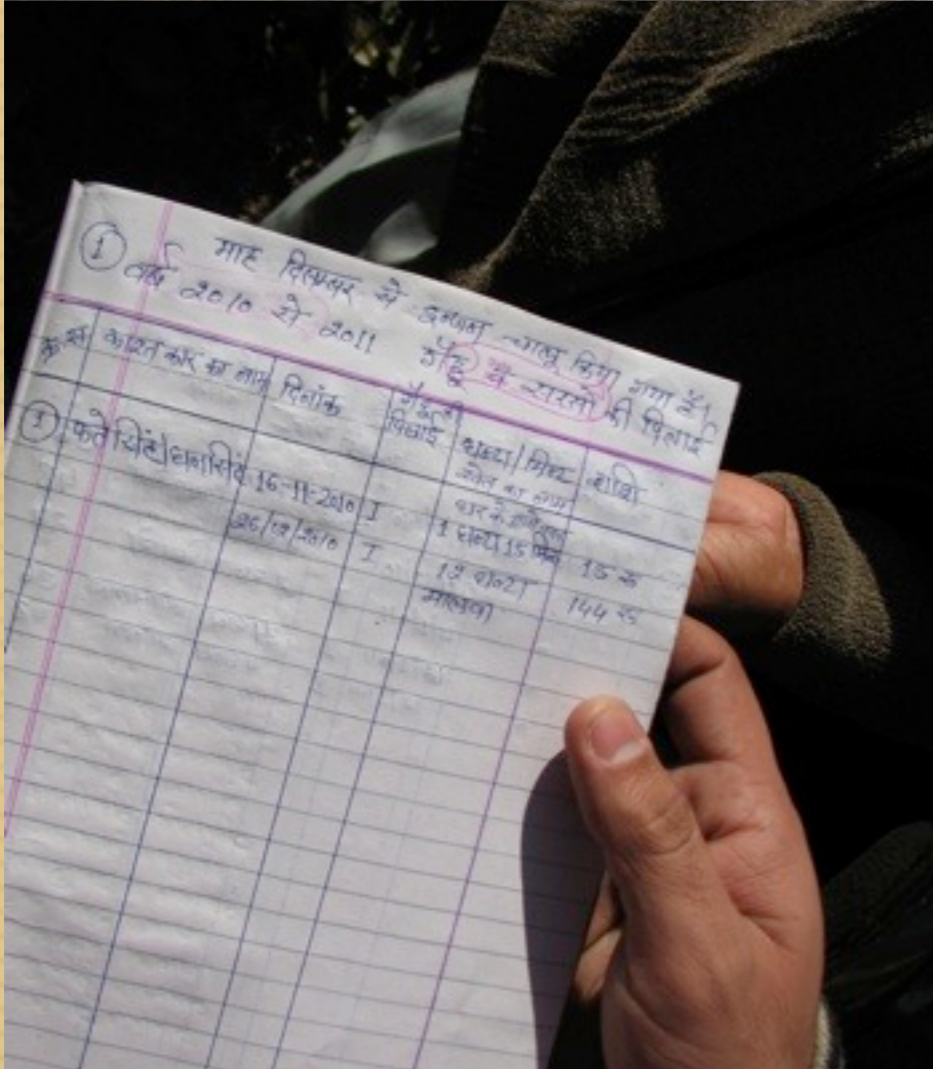

Water...

offers food

to this lift irrigation
group

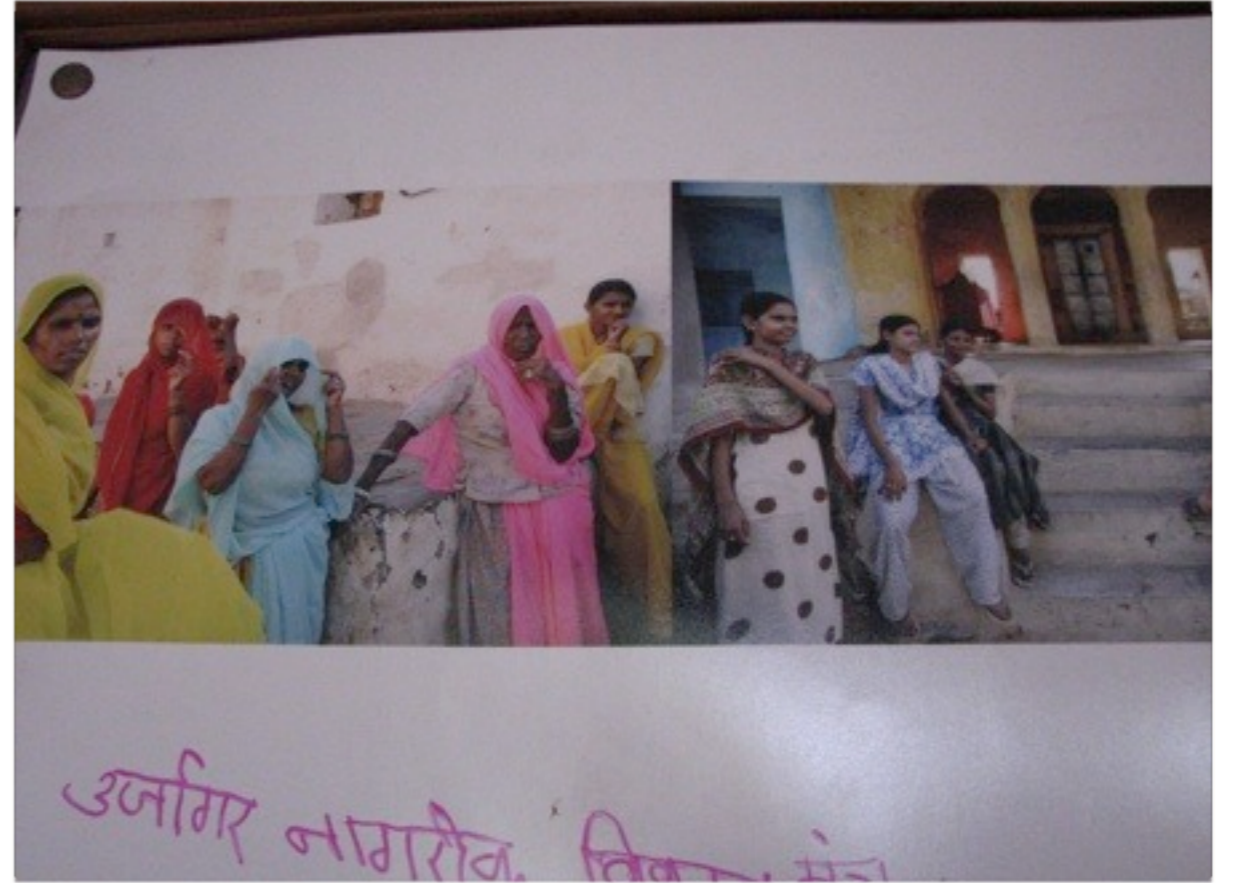

rainwater: caught, stored in water tanks

an ancient tank: restored with Seva Mandir help

local groups
collect refuse
to protect the
water

this is
hard
work

they negotiate, politics...

for a
scarce,
shared
resource
